

## **ATTEND THE CHAPTER LEGISLATIVE DAY FEBRUARY 1<sup>ST</sup>**

Since 2005, Chapter members have been providing seated massages to members of the General Assembly, their staff, and the many harried lobbyists who walk the halls of the General Assembly Building. All these seated massage days have been designed to let legislators know about massage therapy and massage therapists, so that when we bring forward our licensure bills, they will know who we are and what we do.

Our Legislative or Seated Massage Day is scheduled for February 1<sup>st</sup> in the 5 East conference room in the General Assembly Building. We begin set up at 8:30 a.m. and offer seated massages from 9:30 until 11:30. If you have a chair and the time, please contact Beverly Adams, Chapter President, to let her know of your willingness to assist. Her email address is

[president@amtava.org](mailto:president@amtava.org). If you do not have a chair but want to help with logistics, that will work as well. We need people for the following activities:

- Monday, January 30: Three people needed to distribute flyers to the offices of the General Assembly members.
- Weds, February 1<sup>st</sup>: Five people to distribute our fact sheets about our bills to the offices of the members; one person to help with “crowd control;” one person to keep track of the release forms and sign in sheets.

Many thanks for any assistance that you can offer for these activities!
